So Many Cornucopias...

This bulletin board set has cornucopias in dark brown, light brown and black line. Use the dark and light brown cornucopias for bulletin boards and classroom decorations. The black line drawing can be run off on construction paper or used as a coloring sheet for your students. Also included is a simple math worksheet.

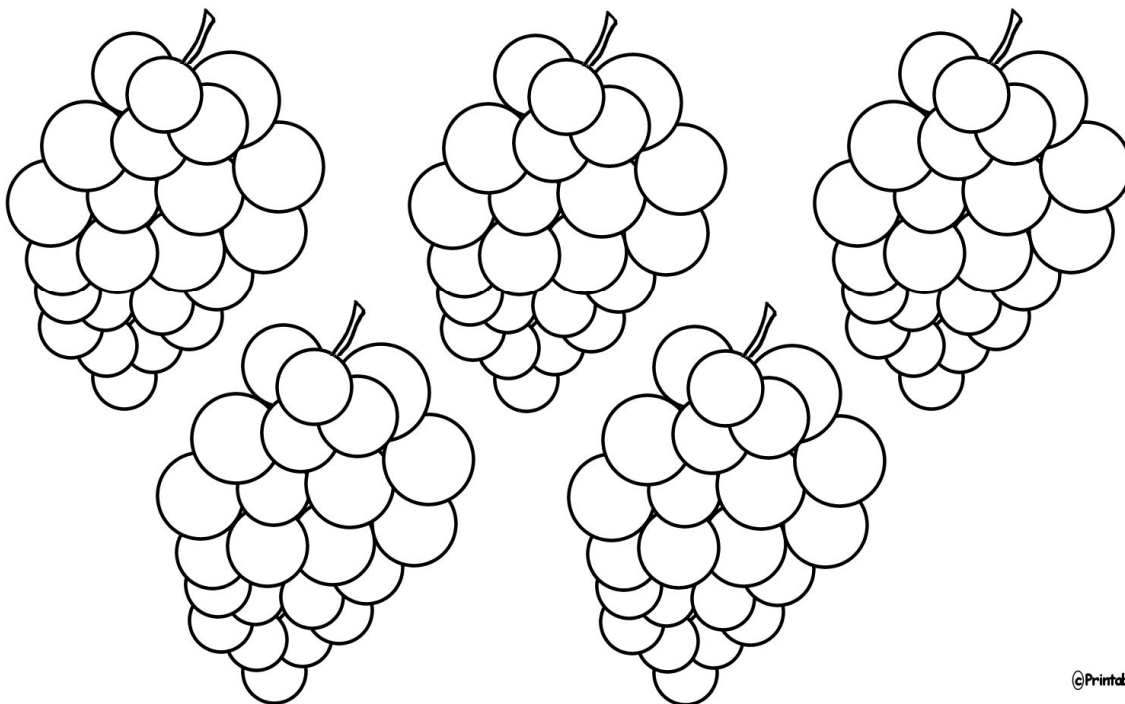

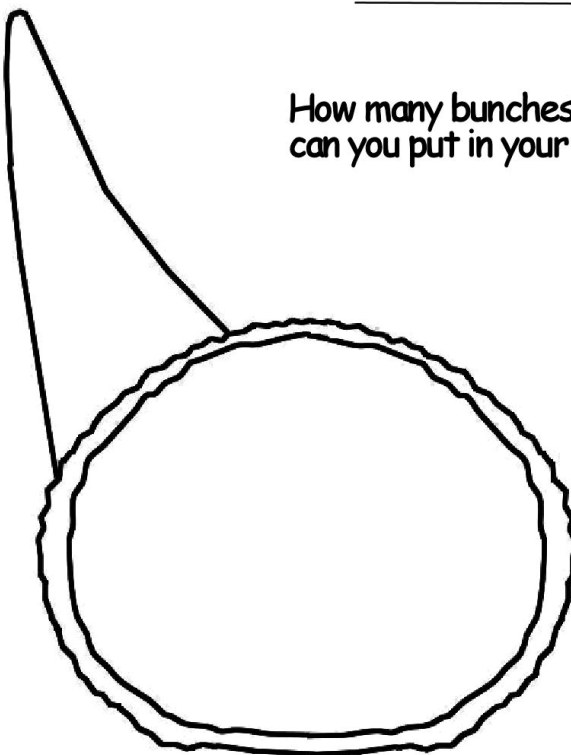

Other Ideas Using the Cornucopias.

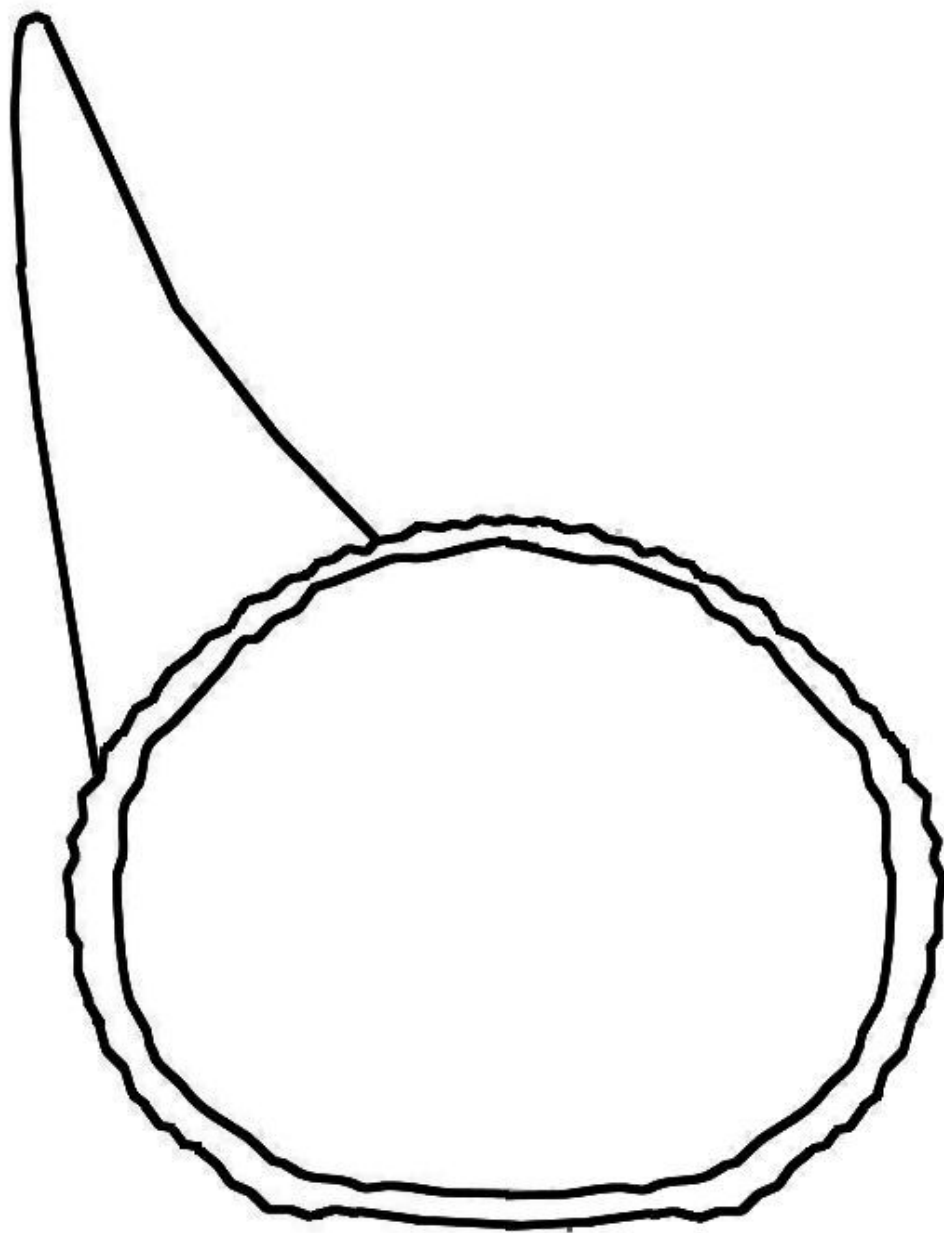

- Put in numbers and letter it “Counting Our Blessings”
- Put in pictures of families.
- Put in pictures of fruits and vegetables.
- Collect leaves on a nature walk and add them.
- Put the names of your students on brown and orange construction paper slips.
